NOTICE OF HEARING & MEETING

Notice is hereby given that a public hearing will be held by the Council of the City of North Canton on Monday, January 3, 2005 at 6:30 PM in the Council Chamber at North Canton City Hall on the City of North Canton's Natural Gas Aggregation Program Plan of Operation and Governance.

On November 2, 2004, North Canton voters passed a ballot question, which authorized the City to form a governmental natural gas aggregate for the purchase of natural gas on behalf of North Canton residents. The City of North Canton shall adopt its Plan of Operation pursuant to Sections 4929.26(C) of the Revised Code and develop an opt-out aggregation program following the procedure set forth in Ohio Revised Code Section 4929.26.

The Plan of Operation will describe services provided, professional assistance used, determination of rates, opt-out procedures, customer-billing procedures, credit procedures and joining/leaving the aggregation procedures. The offer is expected to begin in October 2005 and run for one or two years. All customers eligible who receive natural gas supply service from Dominion East Ohio will be included in the City's aggregate unless they opt-out. All customers eligible to be included in the City's aggregate will receive a mailing notifying them of their right to opt-out.
