Re: Arrowhead

I am in receipt of your letter dated July 1, 2003 requesting to postpone the closing of Arrowhead. Please be advised that I spoke to the Director of Law and he has informed me that we would be in breach of the contract and subject to civil penalty.

However, I share your concerns relating to repairs and the contamination situation.

Those reports should be in your hand by Thursday, July 3, 2003 and consequently we will have an opportunity to review same before closing.

Sincerely,
