Mr. Roy Batista
Law Director
City of North Canton
North Canton, OH 44720

Dear Mr. Batista:

Based on the statements made by the President of City Council at last Monday night's city council meeting, there appears to be a possibility that the City of North Canton is contemplating operating the Arrowhead Country Club property as a public golf course.

Consequently, I am asking that financial information be provided to council members as soon as possible regarding the past operation of Arrowhead Country Club.

This financial information has already been provided to earlier bidders and given that council is acting in a fiduciary capacity for the citizens of North Canton, it is important this information be made available to all city council members.

Sincerely,

A handwritten signature in cursive script that reads "Chuck Osborne".
