

CASE NO. 2002E-027

6/24/02

EXHIBIT: 3

Betty Spinger
And Commission

In response to you notice on case 2002E-027 and Greg Sarbach letter of complaint. I believe this complaint is completely without merit. The flyer was not false and not Slanderous.

1) I was at the council meeting where on the first reading when Sarbach and Snyder And 2 others voted yes to spend tax dollars on the issue. Then after it was pointed out that it was not legal to spend the money, the issue failed 2 yes(sarbach and snyder) and 5 no

2) Sarbach states the flyer caused his defeat in the election. The fact is his yes vote On the cat issue may have cost the 27 votes. Also I may point out Sarbach lost the Same seat as and incumbent two years prior.

3) As stated in RC3517.21 B-10 I did NOT post, publish< circulate< distribute a False statement concerning ANY candidate, with reckless disregard.

4) I also was on council for 8 years but I have leaved hear for over 60 yrs. and have Been in the retail business on Main st. for 40 yrs. And have no wish to have my Proven good name unjustly accused.

Sincerely
Greg Wernet
