

**PETITION OPPOSING THE CONVERSION OF DOGWOOD PARK  
TENNIS COURTS INTO A SKATEBOARD FACILITY**

We, the undersigned individuals are opposed to dismantling the Dogwood Park tennis courts and converting this existing recreational facility into a skateboard facility. While we understand the need for such a facility for skateboarders in the City of North Canton, we do not think it is a good use of city funds to tear down a well-maintained recreational facility in order to convert the area into another recreational facility. We support the construction of a skateboard park in the City of North Canton and feel that another location other than Dogwood Park would make much more sense. We want to preserve the existing Dogwood Park tennis courts for the continued use and enjoyment of all who come to Dogwood Park.
